A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy.
Withdrawal from Competition Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes prior to the competition for Best Puppy in Show as appropriate, in order to remain unbeaten. Best in Show must be selected from the exhibits declared Best of Sex providing they are unbeaten winning dogs. Reserve Best in Show must be selected from the Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show. The dogs declared Best in Show and Reserve Best in Show, however, must not compete in any subsequent competition.
Withdrawal from Competition Dogs which become eligible for Best in Show maybe withdrawn from all other competition, other than breed classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition
Proviso For the purpose of this regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be beaten dogs.

13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with permission of the Show Management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. It is not acceptable to handle a dog in a manner which causes its feet not to touch the ground when on the move. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11
16. All exhibitors must be familiar with the Kennel Club Regulation F (Annex B - Regulations for the Preparation of Dogs for Exhibition)
17. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

18. **DOGS IN VEHICLES ON HOT DAYS**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

19. No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance except by permission of the Committee of the Kennel Club.
20. No modifications will be made to this schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible
21. All dogs must be registered at the Kennel Club before the closing date for entries.
22. Whilst everything will be done to ensure that a competitor will be in the ring on time, the Club cannot be held responsible for any missed class
23. Should a Judge being prevented from fulfilling his or her engagement, the Committee reserve the right to appoint another in his or her place. Exhibitors may withdraw from competition but no entry fees will be returned

24. The Club will not be held responsible for accidents to persons or dogs at the show
25. All Rules and Regulations or definitions and instructions of the nature of Rules and Regulations printed for convenience in other parts of this schedule shall be deemed to be the regulations of the Committee and shall have the same effect as if they formed part of these regulations.
26. Exhibitors passes will not be sent out. Anybody who wishes to receive acknowledgement of entries should enclose a S.A.E. when entering.
26. We welcome all other breeds to our show provided that they are entered Not for Competition and that they are at least six months old on the day of the show and the MUST be registered with the Kennel Club.
27. In the case of a dog owned in partnership and entered in Members' Classes, competing for Members' Specials or entering classes at Member's reduced entry fees each partner must at the time of entry, be a member of the Northern Newfoundland Club
28. Prepaid catalogues will only be reserved until 12 Noon on the day of the show.
29. The Committee can accept no responsibility for products advertised or sold by stand holders at this show and remind exhibitors grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition
30. **DOGS IN CARS Remedial action** will be taken in the event of dogs left in vehicles being found in a distressed condition

The Kennel Club would like to remind exhibitors of its proof of posting policy. Whilst it is understood that, on occasion, entries for shows do get lost in the post, it is disheartening that it appears that a small number of unsportsmanlike exhibitors may be exploiting the Proof of Posting system by various means.

In order to track persistent offenders, and to put a stop to this unsportsmanlike behaviour, a Proof of Posting database is in use which lists everyone who makes an entry on the day of a show. The database is updated on receipt of show reports and lists all those exhibitors reported as having entered on the day of the show.

All exhibitors will be asked to provide their proof of posting and those who repeatedly enter on the day will be required to send all future entries by Registered Post or to enter online. If further entries on the day are made, the only proof of posting that will be accepted is the show society's confirmation of receipt or online receipt. Failure to provide such proof could result in the disqualification of awards, as referred to in Regulations F(1)9, G23.c, H10.d, L11.c and S9.d.

Regulations for the Preparation of Dogs for Exhibition F (Annex B)
